

# SIDNEY SCHUMAN'S CV

**Date of birth** 12<sup>th</sup> September 1930

25 Wellmeadow Road, Hither Green, London SE13 6SY

020 8697 5735, 07743 399 692, schumansidney@gmail.com

## QUALIFICATIONS

Higher National Certificate	Institute of Electrical Engineers	1952
Wireless Operator Certificate	Royal Air Force	1953
Certificate of Education	London University	1977
BA (Mathematics)	Open University	1986

## EMPLOYMENT

**Engineering Apprentice**                      **BTH Willesden**                      **1947 – 1952**

BTH were electrical switchgear manufacturers. I gained a thorough grounding in the use of machine tools and control gear assembly, and finished in the drawing office.

**Airborne Wireless Operator**                      **RAF Hullavington**                      **1952 – 1954**

After a 46-week course in radio theory, I passed out as a fully qualified sergeant. As a w/op I was responsible for the maintenance of airborne communications equipment.

**Electrical Engineering Designer**                      **CP Engineering**                      **1954 – 1974**

I was seconded to industrial and petro-chemical contractors and consultants, including:

Balfour Beatty	Cable routing designer	Burrard Power Station
Comprimo (Amsterdam)	Control schematics designer	Ras Tanura Refinery
Holliday Hall	Cable routing design leader	Fawley Power Station
Mott, Hay and Anderson	Lighting layout designer	Holmesdale Tunnel
CTIP (Rome)	Electrical design supervisor	Milan Refinery

**Student Teacher**                      **Stockwell College**                      **1974 – 1977**

I completed a teacher training course with the emphasis on secondary maths.

**Maths Teacher**                      **Malory School**                      **1977 – 1980**

Worked as a teacher with pupils from 11 to 15 years of age.

**Lecturer**                      **Lewisham College**                      **1980 – 1995**

I taught BTEC Level I to IV Mathematics and Levels II and III electrical principles.

Because of my drawing office background, I taught computer-aided design, around which I developed course material for the use of Autocad with AEC (the architectural add-on).

After gaining my degree I taught A level Pure Maths.

**Retired**                      **1995**

**World Record** set at Olympic Velodrome of 28.388km in 1 hour                      **2014**

## INTERESTS

Cycling, listening to classical music, messing about with my websites and enjoying the company of my family and friends.
